

OFFICE FURNITURE

DESIGN MATTERS.

Being leaders in the market presents great challenges, but our experience and track record keep us at the forefront. We reflect our knowledge and commitment to continue delivering unique experiences in each of our products.

Our engineers and designers work together towards a mission of creating customized solutions that meet high standards of quality, aesthetics, and sustainability, on both small and large scales. We strive to exceed all expectations.

#WEAREVERSA

WE ARE A 100% MEXICAN COMPANY, BEING LEADING MANUFACTURER OF WORKPLACE FURNITURE.
ESTABLISHED IN THE YEAR OF 2006 ON GUADALAJARA CITY, WITH CONCERN TO PROVIDE OFFICE
FURNITURE TO THE MARKET WITH INNOVATIVE AND CUTTING-EDGE STYLES, HIGH QUALITY DESIGNS.
VERSA CONCEPTO® IS CONSTANTLY LOOKING AND DEVELOPING NEW TENDENCIES TO ACCOMPLISH
NEEDS OF DEALERS ALL AROUND THE GLOBE.

ARPPA®

Arppa® represents modernity and the future with its organic and clean lines creating elegant and contemporary atmospheres. Every silhouette, detail, and texture come together to create a luxurious and highly inspiring experience.

PIANNO®

Pianno® is a collection that combines
the elegance of the classic with modernist
and sophisticated details.
New shapes, new times.

TEMPO®

Elegance and sophisticated executive wooden furniture with modern design meeting tables, bookcases and a variety of complements.

LEVA[®]

Leva[®] it is the collection of smart desktops with a lifting system that adapts to the new times and offer you the possibility of sitting or standing while working. This way, you can choose how you want to work in every moment.

URBANIA®

Trends that emerge and challenge new forms and designs. Urbania® is a contemporary collection, with European design and clean, minimalist lines.

READY®

Ready® is a line that follows the canons of modernist aesthetics, being minimalist and practical at the same time. Design and finishes will give personality to any space.

DASH[®]

Scandinavian design trends full of minimalism and the elegance of simplicity, making it timeless.

CLAMP®

A minimalist, practical and casual line, this is Clamp®. It is ideal for a coworking, a training area or a dining room. It's up to you.

AXIO®

Axio® is European design and stylized shapes ideal for minimalistic spaces and functional surroundings. Balance and a touch of vanguard lifestyle that will match perfectly to your office.

VENTO[®]

It is a collection to create modern and
avant-garde spaces.
We know that in the details is the essence.

VENTO PLUS®

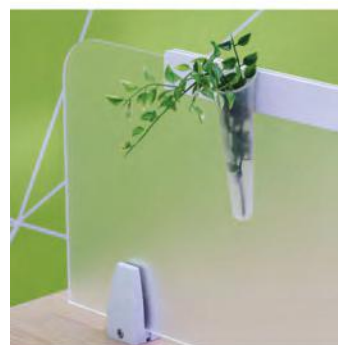

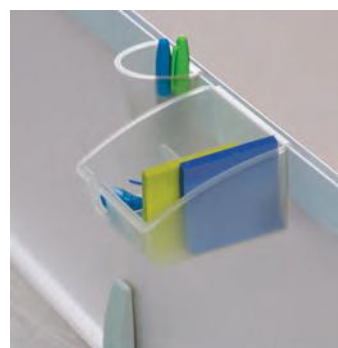

In Vento Plus® every detail counts. Spaces to
enjoy and to work without limits.

BASE NEO[®]

Elegance will be the word to define this collection, created for contemporary and minimalistic environments, with a large variety of exclusive accessories.

AIRE®

Aire® has many configurations, it is large modern and practical system that makes most of the spaces adaptable and comfortable.

ALTEA®

Altea® executive collection
of desks with european
design ideal for fresh environments.

EVO FAST®

Evo Fast® is design for productive spaces,
modernity and functionality that makes
a completely and unique collection.

V4[®]

V4[®] product collection that offers
workstations and desks.
Intelligent furniture that maximizes spaces optimizing
comfort and productivity.

V60[®]

V60[®] modular high partition elegant system that will provide functionality.

V85[®]

This collection is a system of partitions that provides a touch of modernity and elegance to any space you need. V85[®] delimits spaces through its impeccable crystals to create a perfect environment.

BOOTHS AND PODS

Modular Booths Q3 and M1 with sound absorbing properties, creating comfortable spaces to enable effective communication.
